

Rm 203's Weekly Newsletter

Be brave with your life. Dream Big. Set scary goals. Be YOU!
 nleonardo@mssd14.org

THE KIDS ALL PREDICTED WHEN THE BABY WILL ARRIVE AND WHETHER THEY THINK IT IS A BOY OR GIRL :)

Finishing Light and Sound

Students finished their first compare and contrast writing today! We wrote about how light and sound are similar and different. This was their first multi paragraph writing and we did most of it together in class. It is so exciting to watch them grow as amazing writers!

We started our Space Domain on Monday. The kids love all the science involved with space and seem to be very excited! I sent home the permission slip for their space projects and I would love for you to help them decide which project or projects they are going to share at the Space Night. If you have any questions on this feel free to contact me via e-mail.

Upcoming Events

Next week is going to be a busy week with Aspire Interim Testing and Class Pictures. I sent home the form for class pictures on Monday so please have that back to school by next Thursday. I did ask Mrs.

Upcoming Dates/ Info:

MARK YOUR CALENDARS:

February 5th- 8th
Aspire Interim Testing

February 7th- Class Pictures

February 14th- Valentine's Day Party

February 20th- Colorado Springs Philharmonic Concert, February 20th, 9:30 AM

February 21st- Space Night 5-7pm (More information to come)

Leonardo to come back for the class picture but it really depends on when the baby arrives. Also, I will be sending home a class list and a form for volunteers to sign up for snacks, drinks, and paper goods for our Valentine's Party. Finally, I want to share how much I have enjoyed spending time with this group of students and the growth we have had together over this past week has been good.

Thank You,

Stefanie Burgess
